Trinity A very good paper showing
 insight & knowledge.

Physiology A good thoughtful paper.
 A good paper but not quite
 equal. One answer shows thorough
 study of thorough study, specific.

Psychology An excellent paper showing
 considerable grasp of educational
 thought.

Very good work on the whole showing
 that various subjects are approached
 from an educational standpoint.

Divinity A fairly good paper 75
 Physiology A good paper 100
 Psychology A fairly good paper 75
 Naturalism A fairly good paper 75

The paper shows much valuable
 mother wisdom but not sufficient
 exact study. Perhaps the study has not
 covered the ground equally as some
 questions are very well answered.

Exam 2.

Divinity A fairly good paper but 85
 does not show sufficient study
 of work set.

Physiology A very good paper showing 125
 careful study & practical
 sense

Psychology A very good paper, thoughtful 125
 interesting but not showing
 exact study of the text-books.

Naturalism. A moderate paper; 35
 incorrect.

Physiology & Psychology shows more definite

study of than did the last set of papers.
 Other subjects weaker. As before the
 paper shows the valuable insight &
 wisdom of a mother.

1.6.99

Report.

Psychology: A good, thoughtful, paper - 115
 but not showing definite study
 of subject.

Physiology: A fairly good paper showing 90

common sense & practical knowledge
 but the writer has trusted too much
 to these & has failed to supplement
 them by careful study.
 The writer should aim at more
 exact study though must lose to
 common sense however excellent.
